BOAT DESCRIPTION

Avant 605 is a member of Avant family. It is family boat and beautiful bowrider with large space and full coverage behind full-width windscreen made for nice family or friends' tours.

Avant 605 has well functioning hull and wide choice of additional equipment, such as cooler, canopy and chart plotter.

Avant 605 has a lot of storage space and canopy is laid down in stern bench. Stern bench also has enough room for diving and water-ski equipment.

The top hanged hatch in storage space in console can be put in two different positions. Position 90 degrees makes it a table in the cockpit.

Bow hatch in Avant 605 is wider in front which makes boarding easy. Also you don't have to walk on cushion in front because it is divided into two and can be moved up.
